## **Stop The Junk Before It Hits Your Mailbox**

Have you ever made a purchase online or through a catalog only to find your name was sold to EVERY catalog mailing list imaginable? To dwindle the quantity of catalogs you receive, sign up at [Catalog Choice \(www.catalogchoice.org\)](http://www.catalogchoice.org) and then choose those you do and DO NOT want to receive. This is a quick and free service.

Go to each of the sites below to remove your name from various mailing list services to reduce junk mail.

You may also want to contact each of your credit card companies as well as your mortgage company and banks to request that they do NOT give your name to any third parties.
